It seems like Democrats are racing against the clock to impeach Trump over a nothing burger in Ukraine.

They seem fully willing to sacrifice Joe Biden to do it.

Why would they do that?

It seems that they want to fully control the Ukraine narrative before the whole truth comes out, because Joe Biden is not the only key Democrat that has some explaining to do about Ukraine dealings.

From Joe Hoft of The Gateway Pundit:

Corruption runs deep in the Deep State! No wonder the Democrat House wants to get rid of President Trump now. Speaker Pelosi and Democrat Rep. Adam Schiff are both connected to a Ukrainian arms dealer. This is why they lie in front of the nation. They are afraid of their own deeds being uncovered!

As reported this morning, Adam Schiff leads the House Intelligence Committee and this past week he oversaw the Intel Committee where he attempted to align President Trump with some 'trumped' up allegations concerning his phone call with the President of the Ukraine.

Schiff lied in his opening remarks and claimed numerous falsehoods about the President's call in spite of the transcript being provided the day before.

His entire description of the President's call was a lie – we have the transcript and this was not in it!

President Trump rightly called for Schiff's removal from the Intelligence Committee after this dishonest performance –

The Whistleblower's complaint is completely different and at odds from my actual conversation with the new President of Ukraine. The so-called "Whistleblower" knew practically NOTHING in that those ridiculous charges were far more dramatic & wrong, just like Liddle' Adam Schiff..

Donald J. Trump
@realDonaldTrump

....fraudulently and illegally inserted his made up & twisted words into my call with the Ukrainian President to make it look like I did something very wrong. He then boldly read those words to Congress and millions of people, defaming & libeling me. He must resign from Congress!

Pasternak is an arms dealer. He has sold arms in places like Syria –

Now we can report that Ukrainian arms dealer Pasternak is also connected to Nancy Pelosi!

Ukrainian arms dealer Pasternak met Pelosi at the fundraiser Pasternak held in Washington D.C.

Below is Pasternak's luxurious home in DC where he held fundraisers for the Democrats.

There is much more to this Ukrainian Arms Dealer that can be found at this link. Of course, Obama's Secretary of State Kerry, his Vice President Biden and DNC operative Alexandra Chalupa are all connected.

Chalupa is connected to the Steele dossier as well as Ukrainians and Democrat leaders.

Yaacov Apelbaum was the source for much of The Gateway Pundit story and has this:

How To Finance Your Congressional Campaign With Arms Sales

Running for Congress? Short on cash or donations? No need to worry. Now, you too can finance your entire campaign through Ukrainian arms dealers. Igor, for example, will even host the fundraising events in his $2+ million Washington DC brownstone (just one of several such houses he owns in the US). Igor will even provide the catering and valet parking free of charge.

And the best part is that you never have to worry about paying him back for any of these favors, because it's all absolutely free, no strings attached. After all, everyone knows that Ukrainian arms dealers float the election campaign of congressional candidates like Adam Schiff, Nancy Pelosi, and Loretta Sanchez, because they are just so cuddly and lovable.

If you don't buy any of this, then the following Adam Schiff, Nancy Pelosi, and Alexandra Chalupa linkage below agrees with you.

Surprised by any of this?

What we are seeing now is just a big game of cover your own assets.

- John Brennan Begs for More Whistleblowers to Come Forward on Twitter

It seems that Pelosi and Schiff have a few extra reasons to make this Trump-Ukraine false narrative impeachment stick and if Joe Biden goes down for it, they will allow it.

- Democrats Rush to Have Articles of Impeachment Ready for Vote Around Thanksgiving
- Most of The House Now Supports Impeachment – and Some Republicans Senators Are Looking Really Shaky

Their first priority will be impeachment and their second will be to cover up their own shady dealings with an arms dealer from Ukraine.

If they can somehow save Biden, that would be a bonus but not a priority.

This story needs to be spread far and wide so that the American people can see the REAL indiscretions of those leading this witch hunt.
